FREE WILLS.... REALLY?

It's true! The BC Wildlife Federation is offering our members and valued donors aged 55 or older the opportunity to have a simple Will prepared or updated by a local, qualified lawyer for **FREE!** Applicants may opt to pay for additional work involved in their Will should you require more than a simple Will.

Making a planned gift is one of the most generous ways a supporter can show their dedication to their favorite charity. You can make a profound difference in the conservation of British Columbia's fish, wildlife and habitat by supporting the future work of the BC Wildlife Federation.

While there's no obligation to include the BC Wildlife Federation in your Will, please consider the impact your gift will make in protecting and conserving British Columbia's fragile wildlife and habitat. You will never make a more important investment in the future of our province!
