

Wetlands Education Program – Summer Intern

Role Details

Department:	Conservation Stewardship – Wetlands Education Program (WEP)	Start Date:	May 2, 2022
Reports to:	Wetlands Education Program Manager Wetlands Education Program Coordinator Wetlands Education Program Assistant	End Date:	August 19, 2022

About the B.C. Wildlife Federation

The B.C. Wildlife Federation (BCWF) is British Columbia’s leading conservation organization. As a province-wide, member-driven charitable organization, with over 43,000 members and more than 100 member clubs, our organization represents the interests of all British Columbians who aim to protect, enhance, and promote the wise use of the environment for the benefit of present and future generations.

Job Overview – Wetlands Education Program Summer Intern

The B.C. Wildlife Federation’s Wetlands Education Program is looking for a 4-month Wetlands Education Program Intern. The Wetlands Education Program (WEP) was created in 1996 to deliver quality wetlands education that builds the capacity of individuals and groups to assess and steward their wetlands, and, using this new knowledge, increase community watershed health. This competitive internship opportunity provides hands-on experience for individuals who are interested in a career in environmental education and/or conservation. As a WEP intern, you will have the unique opportunity to get involved in rewarding conservation and stewardship workshops throughout B.C.!

The WEP Intern will work closely with the Wetlands Education Program Manager, Wetland Education Program Coordinator, and Wetland Program Assistant, and will be involved in all aspects of planning, delivery, and budgeting of the programs. This includes some travel within B.C. to deliver programs, with COVID-19 precautions in place. Experience gained in this position is valuable to future work in environmental project and education positions. Due to the nature of the work, the WEP Intern will be able to network with key professionals who work among various levels of government and non-government organizations.

To support a workforce that reflects the diversity of our community, women, Indigenous Peoples, racialized individuals, persons of diverse sexual orientation, gender identity or expression (LGBTQAI2S+), persons with disabilities, and others who may contribute to the diversity of our workforce are encouraged to express their interest and apply. *This position is funded by the Canada Summer Jobs Program.*

Qualified candidates may submit their resume, cover letter, and formal or informal writing sample (sample 1 page max.) as a single PDF document via email quoting “WEP Summer Intern_FirstName_LastName” to: wep@bcwf.bc.ca

Applicants must apply by March 13th 11:59 p.m. (PST).

Wetlands Education Program – Summer Intern

We thank all applicants for their interest and advise that only those selected for an interview will be contacted.

Wetlands Education Program Manager, B.C. Wildlife Federation

T: 604.882.9988 ext. 239 | alyssa.purse@bcwf.bc.ca

Core Responsibilities

Key Tasks of this Positions will Include:

- Support the Wetlands Program Coordinator on the delivery of virtual and in-person components of core Wetland Education Program initiatives (e.g. the Wetlandkeepers workshops, Map our Marshes, and Wetlands Institute)
- Plan and deliver outreach to youth-related events
- Take clear and consistent photos at events and prepare social media posts, advertisements, and blog posts to highlight the success of our program and projects.
- Assist contract biologists on logistics and provide field support where, and if, needed

Other Duties and Responsibilities will Include:

- Communicating with partner groups (e.g., municipal/regional planners, non-government and government agencies, First Nations) to help design workshops
- Identifying and securing guest speakers for workshop components, and designing and finalizing workshop agendas
- Administrative duties including maintaining program files and correspondence, participating in preparation of reports
- Representing the BCWF Wetlands Education Program at interactive booths and virtual events
- Other duties relating to the Wetlands Education Program or B.C. Wildlife Federation's other programs as required. Other duties may include grant writing, procurement of materials, volunteer coordination, and design of outreach materials or learning modules

Major Program Projects – Attendance for the full duration of every event may be required (Dates TBD)

- Chilliwack – Map Our Marshes
- Chawathil First Nation (Hope) – Wetland Health Workshop
- Parksville-Qualicum Beach – Map Our Marshes
- Squamish – Outreach event
- Victoria – Quadra School Wetland Project
- Grand Forks – Wetlands Institute

Wetlands Education Program – Summer Intern

Additional Assets:

- Experience with public outreach and engagement
- Experience with creative/informal writing and photography
- Good knowledge of water policy regarding conservation, protection laws, and regulations
- Experience researching, writing reports, and managing budgets
- Creative and able to produce aesthetically-pleasing printed and electronic communication materials (e.g. posters, graphics, etc.)
- Interest in volunteer coordination

Position Terms & Compensation

Position Terms:

This full-time (40 hours/week), temporary position is based at the B.C. Wildlife Federation office in Surrey, B.C. (101-9706 188th Street). At this time, COVID-19 health regulations have limited office capacity, and most staff are working from home, with some opportunities to work in the office. Pending public health orders, this position will require travel throughout the province leaving from the Surrey office, as noted above.

Compensation:

\$18/hour at 40 hours/week (note: some weeks may require more time than others – weekend work is occasionally required and averaging agreements are utilized).
