

Dear Conservation Partner,

For over 70 years, the B.C. Wildlife Federation (BCWF) has led the fight to protect and enhance the fish, wildlife, and habitat that make this province what it is. We represent almost 100 affiliated clubs and more than 37,000 members, and every year our volunteers contribute over 300,000 hours to habitat restoration, conservation education, and stewardship across British Columbia.

We're writing to invite you to be part of that work by supporting the BCWF's 71st Convention, taking place on April 8 – 10, 2027, at St Eugene Resort in Cranbrook, BC.

A Gathering That Powers Conservation Across the Province

The Convention is the largest and most important BCWF event of the year, bringing together hundreds of delegates, conservation leaders, government representatives, and First Nations to shape the policies that guide fish, wildlife, and habitat management in B.C. Hosting a provincial convention of this scale is a significant undertaking. It also requires substantial resources to deliver a first-class event for our delegates and partners.

The Convention is also an opportunity to celebrate the partnerships that make our work possible. Through the generosity of businesses, organizations, and individuals, we are able to showcase exceptional auction items and experiences that help support BCWF's mission and the conservation work we carry out throughout British Columbia.

How You Can Help

We humbly ask that you consider donating an item, service, experience, vacation package, outdoor equipment, artwork, gift certificate, or other merchandise for use in our Convention fundraising activities. As a valued donor, your organization will receive recognition during the Convention and be acknowledged alongside other conservation partners who share a commitment to protecting British Columbia's natural heritage.

BCWF is a registered charitable organization, and donations may qualify for a charitable tax receipt. Please note that all in-kind donations valued at \$1,000 or more require official written verification of the value (e.g., a sales flyer, invoice, or appraisal).

To make a donation, please complete the [Donation Form](#) and return it by email to convention@bcwf.bc.ca. If you have any questions about making a donation or the donation process, please contact the Convention Committee at the same email address. We would be pleased to assist you.

Thank you in advance for your generosity and support.

In Conservation,

Glenn Flynn
President
B.C. Wildlife Federation
